Hello Unregistered, Welcome to the Hammerskin Nation forum at Crew38.com. Before you get started we'd like to let you know a few things. 1- This is a website for racially aware, racially proud White people. If racial conversations bother you just leave. We really don't care what you think, and we will ban you rather than argue with you. 2- If you claim to be serious about meeting racialists in your area we will check you out and determine if you are a waste of time. Generally the first thing we do is see where else you've been on the internet, what you've been posting on other websites, and who your friends are. We already have everything we need, so don't bother trying to hide it now. 3- Read our rules at <http://www.crew38.com/forum38/showthread.php?3584-Forum-Rules> 4- Visit our Youth and Newcomers forum if you are looking for info. This message will disappear after you make your first 10 posts.

Had a great time. Respect to CHS/Crew 38 for a great show. It was nice to meet all the brothers and sisters and put a face to the names. I can't wait for the next one.
